RESOLUTIONS

Somersworth, N. H., January 5, 1943.

Be It Resolved: That the laborers of the Highway Department be paid at the rate of 60 cents per hour. This resolution to take effect January 4, 1943.

Passed at meeting held January 5, 1943.

Somersworth, N. H., January 5, 1943.

Resolved: That the Committee on Finance be and hereby is authorized and empowered to borrow, in anticipation of taxes, to meet current expenses in such amounts and at such times as may be deemed advisable at the lowest rate of interest obtainable; the sum of all amounts so borrowed not to exceed one hundred thousand (100,000) dollars; and that the proper officers of the City be authorized to give the City's note or notes therefor. All debts incurred under authority of this resolution are hereby expressly made payable from the taxes of the current municipal year.

Passed at meeting held January 5, 1943.

Somersworth, N. H., April 6, 1943.

Resolved: That the sum of $578.75 be, and here-

by is, appropriated for the purchase of a pump for the Ford truck.

Passed at meeting held April 6, 1943.

Somersworth, N. H., June 23, 1943.

Be It Resolved: That the Mayor shall be empowered to execute on behalf of the City of Somersworth, a Quit-Claim Deed releasing such rights as the City may have, or ownership of the Pound, so called, which is located on the westerly side of lower Green Street, in the Dixon field, so called.

Passed at meeting held June 23, 1943.

Somersworth, N. H., July 6, 1943.

Be It Resolved: That the pay of the Highway Laborers be changed from 60c to 67½c per hour, to take effect as of July 12, 1943.

Passed at meeting held July 6, 1943.

Somersworth, N. H., December 7, 1943.

Resolved: That the Committee on Finance be and hereby is empowered to transfer from any department that may have an excess of appropriation, or from any money remaining in the treasury not otherwise appropriated, and apply to such department

as may have expended more than the appropriation thereof.

Passed at meeting held December 7, 1943.

Somersworth, N. H., December 7, 1943.

Resolved: That the Committee on Finance be and hereby is authorized and empowered to borrow against uncollected taxes, to meet current expenses in such amounts and at such times as may be deemed advisable at the lowest rate of interest obtainable; the sum of all amounts so borrowed not to exceed twenty thousand (20,000) dollars and that the proper officers of the City be authorized to give the City's note or notes therefor.

Passed at meeting held December 7, 1943.

PETITIONS

January 3, 1943.

City Council, Somersworth, N. H.

Dear Sirs: We, the people of lower West High street and junction of Maple street and West High, request the removal and disposal of our garbage and ashes weekly. Fernand Landry, Frank X. Landry, Joseph A. Landry, Alcide Berry, Frederick Veilleux, Omer Veilleux, Mrs. Francois Moore, Warren Carter, Napoleon Couture, John Wilson, Lucien Normand, Elmer E. Hussey, Octave Nadeau, Antonio Saindon, Richard Vezeau, Alphonse Gagne, Wilfred Couture, Henry Vallee, Robert E. Fournier, Roland Noel, Antonio Bolduc, Ovila Lalime, Norman A. Fournier.

The foregoing petition was granted at a meeting held March 2, 1943.

Manchester, N. H., December 1, 1942.

To the Board of City Council of Somersworth, N. H.

New England Telephone and Telegraph Company desires a license to erect and maintain poles and structures, with wires, conduits, cables and devices thereon, together with sustaining, strengthening and

protecting fixtures along, across and under the following highways in said municipality:

LOCATE

Two poles on First street, northerly from Indigo Hill road.

Wherefore it petitions that it be granted a license to erect and maintain poles and structures, with wires, cables, conduits and devices thereon, together with sustaining and protecting fixtures, said poles and structures to be installed approximately in accordance with plan filed herewith or attached hereto marked "New England Telephone and Telegraph Co." No. 262 dated October 20, 1942.

New England Telephone and Telegraph Co.

By: Rae Comerford, Plant Engineer.

A similar petition dated January 13, 1943.

LOCATE

One pole on Indigo Hill road from Davis street southerly.

Plan No. 289, dated November 12, 1942.

A similar petition dated January 26, 1943.

LOCATE

Four poles on Indigo Hill road, approximately 800 feet northwesterly from High street.

Plan No. 336 dated January 14, 1943.

A similar petition dated February 8, 1943.

LOCATE

One pole on Maple street, approximately 200 feet northeasterly from West High street.

Plan No. 348 dated February 3, 1943.

The foregoing petitions were granted at a meeting held March 2, 1943.

The American Legion, Somersworth Post No. 69.

Somersworth, N. H., May 13, 1943.

To His Honor, the Mayor, and City Council:

Gentlemen: It has been an honor for the Somersworth Post No. 69 of the American Legion to represent the City of Somersworth in honoring those who have offered their lives for their country and have now gone to the Great Beyond, by observing Memorial Day as has been the custom in the past, with proper decorations of graves, with wreaths, flags, markers, religious services and military respects at all cemeteries, including the graves that are on the outskirts of our City, with the sum of two hundred and fifty ($250.00) which the city of Somersworth appropriates for that day.

We are willing to continue that respect if the City of Somersworth will appropriate sufficient money to do so, as we have been obliged to draw from our funds the difference between the cost and the appropriation which we wish to state, for the year 1942, was $96.48, which shows that the total cost for 1942 to be $346.48, as itemized below:

Memorial Day Expenses for 1942

331 Graves Decorated	
Wreaths, 331 @ 35c	115.85
Flags, 331 @ 13c	43.03
Markers, 36 @ $2.85	102.60
Band	75.00
Flags for Veterans' Lots, 2 @ $3.00	6.00
Parcel Post for flags	.16
Ammunition, 32 rounds @ 12c	3.84
Total Expenditures $	346.48

We hereby submit these figures hoping that this honorable body will find a solution to the problem so we can carry on.

Yours respectfully,

(Signed) Edward L. Duffy, Commander,
(Signed) Charles Saindon, Adjutant.

At a meeting held June 23, 1943, the foregoing petition was acknowledged and the sum of $350.00 was ordered to be inserted in the regular list of appropriations for Memorial Day.

Somersworth, N. H., June 1, 1943.

May 15, 1943
34 Chickens killed by Mr. Herman Kenney's dog. Value $1.00 each. Total $34.00.

(Signed) Henry Provencher,
High Street, Somersworth, N. H.

At a meeting held June 29, 1943, the Clerk was ordered to pay the claim and then give the bill to the City Solicitor for collection.

Somersworth, N. H., June 3, 1943.

To His Honor, the Mayor, and City Council:

Gentlemen: Your undersigned petitioners respectfully request from your honorable body that the garbage be collected on High Street as far as Central Park. Albert Boulanger, Everett W. Heath, Herman C. Canney, Lawrence Gagnon, Clarence L. Lavers, Mrs. Fannie Bryant, Henry Provencher, Edward Gage, William Grover, Everett Stackpole, Arthur Polychronis, Joseph E. Ouellette, Arthur Cornellier, Frank Rogers, George Skoolicas, Mrs. Ernest Joy, Herbert Henderson, Joseph O. Paquette, George Giroux, Mrs. Roy Berry,; John S. Buzzell, Mrs. Alec Dugan, Hazel M. Wasson, O. J. Mercier, William J. Orr, Arthur Leclair, Jean Charles Dubois, Clovis Joseph Cormier.

At a meeting held July 6, 1943, the petition was laid on the table indefinitely.

We, the undersigned are entering a petition for the collection of garbage and rubbish on West High Street, R. F. D. No. 1, Somersworth, as far as Hanson's Corner. Mr. and Mrs. Lawrence Douglas, Mr. and Mrs. Valmore V. Davis, Mr. and Mrs. Frank Meserve, Mr. and Mrs. Scott W. Whitten, Mr. and Mrs. Robert Purdy, Mr. and Mrs. Philip Patch, Mr.

and Mrs. Maxwell Anstey, Mr. and Mrs. Frank Purdy, Mr. and Mrs. Walter N. Wyman, Mr. and Mrs. William C. Austin, Mr. and Mrs. Lorenzo D. Otis, Mr. and Mrs. C. E. Barrett, Mr. and Mrs. Howard W. Wooley, Mr. Richard J. Staples, Mrs. Mae V. Barrett.

At a meeting held July 6, 1943, the petition was laid on the table indefinitely.

Somersworth, N. H., June 29, 1943.

To His Honor, the Mayor, and Members of City Council, Somersworth, New Hampshire:

We, the undersigned, of the Highway Department hereby petition for a fifteen cent an hour increase in wages. George Berry, Joseph Tanguay, John W. Coyle, Henry Lacourse, Etienne Gagnon, Ernest Heon, Adelard Demers.

At a meeting held July 6, 1943, a resolution was passed changing the rate of pay of the Highway Laborers from 60c to 67½c an hour.

Somersworth, N. H., July 6, 1943.

To His Honor, the Mayor, and Members of City Council:

Gentlemen: Your petitioner respectfully requests that your Honorable Body do consider and take fa-

vorable action in adjusting the salary of the Tax Collector, which, being on a commission basis, is extremely affected on account of the enormity of the reduction in the rate of taxation and valuation for the year 1943.

Recently passed Federal and State Legislation has considerably increased the duties of this office. Among these are the so called 20 per cent or pay-as-you-go plan and legislation relative to taxation of those in the armed services of our country. Statutes enacted by our State Legislature have increased the poll tax assessment and designated whom the increase will and will not affect, and in what manner poll taxes will be recorded, divided, and to whom paid.

This will mean $3.00 and $5.00 poll tax bills and additional recording of names at this office, as veterans of World War I, who are exempt from a $2.00 poll tax will be assessed the additional $3.00. This and other legislation has added to the responsibility and changed the routine of a Tax Collector in our state. I do, therefor, as above stated, beg that you give consideration to the added duties of this office and to the salary connected with same, bearing in mind that your collector has no clerical help to assist in his attempt to perform his duties as a public servant.

Respectfully submitted,

E. L. Flanagan,
Tax Collector.

At the meeting held July 6, 1943, the petition was laid on the table for further investigation and the

Finance Committee was authorized to investigate and report to the Council.

Sept. 4, 1943.

To the Mayor and City Council, Somersworth, N. H.

Dear Sirs: The United States Fidelity and Guaranty Co., who carry our liability insurance have advised me that the sidewalk in front of the residence of the Sisters of Mercy at 20 Walnut St., is in a very dangerous condition. They require me to request the City Government of Somersworth to make such repairs to said sidewalk as will eliminate the danger of an accident. I am then respectfully petitioning the City Government to make the necessary repairs as soon as possible.

Yours very truly,

James F. Happny,
Pastor of Holy Trinity Church.

The petition was referred to the Committee on Roads, Bridges and Drains with power to act.

Manchester, N. H., November 8, 1943.

Board of Mayor and City Council, City of Somersworth, N. H.:

Gentlemen: We wish to apply for a permit to install a Mobilgas Shield Sign to hang over the side-

walk at the location of H. W. Skillings in Somersworth. This sign is 72 in. x 72 in. and will be attached to a pole to be erected inside of sidewalk in the rear of above property on Washington Street.

May we be favored with such permit at your earliest convenience?

Yours truly,

E. D. Mills.

The foregoing petition was granted at meeting held December 7, 1943.

ORDINANCES

Somersworth, N. H., January 5, 1943.

Be It Ordained: That the salary of the Acting Superintendent of Streets who has been appointed by the Committee on Roads, Bridges and Drains be $40.00 per week until a Superintendent be appointed by the Council.

Adopted at a meeting held January 5, 1943.

Somersworth, N. H., April 6, 1943.

Be It Ordained: By the City Council of the City of Somersworth that the Ordinances of the City be, and hereby are, amended as follows:

Amend Chapter V, Section I of the Ordinances by striking out that part which refers to the salaries of Driver of Apparatus, $1250; Sanitary Officer $200; City Clerk $1700 and fees; City Clerk Help Hire $850; City Messenger $1300, and insert the following to read: Driver of Fire Apparatus, $1350; Sanitary Officer $250; City Clerk $1800 and fees; Help Hire City Clerk, $1040; City Messenger $1400.

This Ordinance to be retroactive to April 1, 1943, with the exception of the City Messenger's pay which is retroactive to January 1, 1943.

Adopted at a meeting held April 6, 1943.

Somersworth, N. H., July 1, 1943.

Be It Ordained: By the City Council of the City of Somersworth, N. H., Amend Chapter 5 of the City Ordinances by striking out that part which reads as follows: The Mayor shall receive for expenses incurred in departmental affairs the sum of five hundred ($500) dollars per year. This Ordinance to take effect July 1, 1943.

Adopted at a meeting held July 1, 1943.

Expenditures

Labor	$ 2,911.54	
Supplies	762.71	
		$ 3,674.25
Total balance		$ 433.67

Ernest A. Lothrop,
Melanie W. Sullivan,
Fred H. Brown,

Trustees Forest Glade Cemetery.

REPORT OF CITY SOLICITOR

April 21, 1944.

To His Honor, the Mayor, and City Council:

Gentlemen: I hereby submit my report for the period January 1, 1943, to December 31, 1943.

The year 1943 was a repetition of 1942 insofar as litigation by or against the city is concerned. There are no suits pending against the city at this time. During the year, the usual routine matters were referred to me and were disposed of.

The City Clerk and I have completed a revision of the city ordinances and made a report to the city council at its January, 1944, meeting. It is expected that within the near future, the new ordinances will be printed and copies made available for distribution.

Respectfully submitted,
John F. Beamis, Jr.,
City Solicitor.

STREET COMMISSIONER'S REPORT

Somersworth, N. H., December 31, 1943.

To His Honor, the Mayor, and City Council:

Gentlemen: In accordance with the provisions of the city ordinances, I herewith submit my report for the fiscal year ending December 31, 1943.

Garbage

The collection of garbage has increased tremendously. Previously, merchants and many individuals took their garbage to the city dump. Now with the shortage of gasoline and tires, practically everyone is taking advantage of the collection of garbage by the Highway Department.

Streets

All streets have been kept clean and maintained as well as could be expected with the shortage of supplies and help available. The following streets were treated with asphalt: Indigo Hill from Main to Green; Franklin from Green to High; Horn; Portland; Highland; Lock avenue; Washington from Orange to High; Shorey's lane; Mt. Vernon from High to Grand; Burke; part of Buffumsville road; Summer; Grove; Union from Walnut to Indigo.

Heating of Barn

The boiler room which was in the cellar and very unsatisfactory was moved to a new building which was added to the city barn, and a stoker was purchased and installed.

Following is an itemized account of expenditures for the year ending December 31, 1943:

Gas, oil, grease	$ 1,416.28
Cleaning dump	111.00
Plows and parts	109.98
Tools	42.34
Repairs	374.61
Equipment, parts, tires	1,736.10
Electricity	128.22
Telephone	39.30
Building and stoker	1,127.16
Freight	1.41
Insurance	229.94
Fuel	113.19
Salt, chloride	193.00
Water	12.20
Cement	48.20
Pipes	41.60
Supplies	228.49
	$ 5,953.02

Labor

Garbage	$ 4,073.80
Snow removal, roads	1,535.65
Snow removal, walks	577.85
Sanding	1,697.72
Repairs and equipment	281.84

Receivers	1,081.29
Trees	291.46
Gravel roads	1,038.77
Patching	709.84
Street cleaning	1,336.36
Cemetery	1,971.27
Snow fence	83.10
Manholes	178.88
Oiling	399.39
Heating	7.43
Sidewalk repairs	6.75
Repairs to stop signs	35.78
Foundation for boiler room	95.85
Repairing guard rail	12.15
	$15,415.18
	5,953.02
Total expenditures	$21,368.20

Respectfully submitted,

Arthur Gaudette,
Street Commissioner.

REPORT OF TAX COLLECTOR

Junk licenses, collected by Charles A. Parsons		20.00
Gun permits, 1942		6.00
Gun permits, 1943, collected by Charles A. Parsons		7.00
	$	4,133.55
Paid City Treasurer		4,133.55

Respectfully submitted,

Paul R. St. Laurent,
City Clerk.

REPORT OF INSPECTOR OF PLUMBING

To His Honor, the Mayor, and City Council:

Gentlemen: Herewith is my report as Plumbing Inspector for the year ending December 31, 1943.

Ten inspections of new sewer connections were made during the year, and nine inspections on alterations on plumbing appliances and fixtures placed therein.

Respectfully submitted,

Albert A. Tapscott,

Plumbing Inspector.

FIRE CHIEF'S REPORT

Somersworth, N. H., January 1, 1944.

To His Honor, the Mayor, and City Council:

Gentlemen: I herewith submit to you my annual report of the Fire Department:

ROLL OF THE FIRE DEPARTMENT

Chief Engineer, John O'Neil
1st Deputy Engineer, Harry D. Ledger
2nd Deputy Engineer, Noel Chasse

Captain, Napoleon Couture
Clerk, John Loughlin

DRIVERS

Arthur Nadeau, Ernest L. Heon,
Napoleon Couture, Benedict Nadeau,
Fred Garneau

EQUIPMENT

One American LaFrance Triple combination hose, pump and chemical.

One American LaFrance City Service truck, ladder and chemical.

One Ford V-8 combination pump and hose.
Two emergency hose wagons.

There are at present 3400 feet of hose in good condition, 1400 feet in fair condition, 800 feet of 1½-inch hose and 600 feet of chemical hose.

Total number of alarms	106
Number of still alarms	9
Number of box alarms	32
Number of chimney alarms	46
Number of grass and brush alarms	34

Twenty-two permits were issued to burn grass, leaves, etc.

Fire drills were held regularly in the schools.

Chemicals in the public buildings were kept charged and located for emergency use.

Woodlands were kept posted with fire warnings, and closed during dry spells.

Inspections to eliminate fire hazards were conducted every three months.

In closing I wish to thank His Honor, the Mayor, the Committee on Fire Department and all those who have assisted me in the discharge of my duties during the year.

To the officers and members of the department my thanks are also due for their faithful attention to duty and their promptness in responding to the numerous calls during the year.

I also at this time would recommend the purchase of a new fire engine to replace the 750-gallon pumper that has been in use the past twenty years.

Respectfully submitted,

John O'Neil,

Chief Engineer.

Tests: 2 blasts, 6 o'clock, P. M., and 12 noon
1 blast: Engineers' Call
2-2-2 House call
4 Out of town and brush fires
1-1 No-School signal
Morning, 7.30-7.45
Afternoon, 12.30-12.45

KNOW YOUR AIR RAID SIGNALS

BLUE SIGNAL, Long Blast—Pedestrians continue, Vehicles continue with dimmed lights, Public Transportation continues, Houses blacked out.

RED SIGNAL, Series of Short Blasts—Pedestrians take cover, Vehicles stop, lights out, passengers take cover, Public Transportation stops, lights out, passengers take cover. Houses blacked out.

BLUE SIGNAL, Long Blast following Red Signal, danger passed but may return—Pedestrians continue, Vehicles continue with dimmed lights, Public Transportation continues, Houses blacked out.

ALL CLEAR—One Short Blast after the second Blue Signal.

REMEMBER—Red Signal may be the first you will hear. This means an air raid is in progress.

GENERAL RULES

Firemen as well as citizens should familiarize themselves with the following rules for giving alarms of fire.

1. Never pull a box for a fire seen at a distance.

2. Never pull a box while the alarm bells are ringing, not until a box has completed its four rounds. Two boxes cannot operate together, and neither will work if two are pulled at the same time. Never pull two alarms of two boxes for the same fire.

3. To ring in an alarm, break the glass in the keybox and open the outside door with the key. Pull down the brass crank seen inside, till it stops, then let go. Then let the box alone. The clock will be seen or heard to be running, and the alarm will follow in half a minute or so. Close the door, but do not try to remove the key, as it is locked in track lock and can only be removed by a release key, which is carried by each engineer who will as soon as convenient, release and return it. Remember that the firemen will come directly to the box which has been pulled, and be sure that someone stays at the box to direct them to the fire.

4. Never pull an alarm for a fire seen at a distance. Never touch a box except to give an alarm of fire. Give an alarm for no cause other than actual fire. Don't give an alarm for a chimney fire.

REPORT OF THE TRUSTEE OF THE SOMERSWORTH PUBLIC LIBRARY

Somersworth, N. H., January 2, 1944.

To His Honor, the Mayor, and City Council:

Gentlemen: The Trustees of the Public Library respectfully submit the report of the Librarian for the year ending December 31, 1943.

The work in the Library has been conducted as in other years; the Trustees are satisfied that an excellent standard has been maintained throughout the year; the report of the Librarian will be found of much interest, giving as it does, the statistics for the year.

It is the opinion of the Trustees that the appearance of the Library would be greatly improved if the ceiling were whitened and the floor were oiled. These much needed improvements have, undoubtedly been neglected through some oversight on the part of the Public Buildings Committee.

Henry P. Mullen, chairman,
Arthur C. Guilmette,
Celopie Semitros,

Trustees of the Somersworth Public Library.

REPORT OF THE LIBRARIAN

To the Trustees of the Somersworth Public Library:

Gentlemen: Herewith is submitted my report as Librarian for the year 1943.

This report does not differ in any great respect from those of previous years. The work of the library has been carried on with satisfactory results.

During the year there has been a decided increase in the calls for biography, history, and other books pertaining to world affairs. Patrons are using the library for reading of periodicals and newspapers much more than they have in the past years.

Everywhere public libraries are striving to make their facilities of the greatest service to all community needs; the use that has been made of the books in our library has brought a sense of gratification and a challenge to the unlimited opportunities that lie ahead for the library in its service to the city of Somersworth.

During the 20-year period (1924 to 1944) a total of 630,796 books have been given out to the citizens of this city for home reading. The largest number in any one year was 41,080 during 1931.

The library received as gifts plants and flowers throughout the summer, many interesting curios for

the cabinet, subscriptions to several magazines and newspapers and several books.

The following statistics will show the work of the library for the year.

Statistics

Number of volumes in library, January 1, 1944	19,169
Number of volumes added during the year	392
Number of volumes rebound at the bindery	87
Total number of books loaned for home reading	17,597

Of this number (17,597) 14,129 were adult books.
3,468 were juvenile books.

Of this number (17,597) 13,095 were fiction.
4,502 were non-fiction.

The books of non-fiction were in the following classes

General works	31
Philosophy and Religion	113
Sociology	367
Language and Literature	454
Natural Science	219
Useful Arts	459
Fine Arts	280
History and Travel	810
Biography	369
Current Magazines	1,105
Pamphlets	202
Music, Pictures, Maps	93

At this time I wish to thank the Trustees for cooperation during the past twelve months and assure

you we shall continue to keep the library service up to the highest standard possible.

Respectfully submitted,

Leona H. Savithes,

Librarian.

General Comments

Changed pump in No. 1 well to a Wortington Fully Automatic 50 H. P. at a cost of $800.00. Both pumps have same capacity, and are used alternately, double protection in case of breakdown.

The old machinery at the pumping station was traded in, otherwise the cost would have been over $4000.00 for the new pump.

27 accounts were metered during the year.

5 new services were put in.

There are a total of 1003 regular metered accounts, 137 flat rate accounts, 5 accounts not in use; a total of 1145 accounts.

Bonds were reduced $3,000.00.

Interest on bonds $720.00.

Main leaks during the year numbered 3; New Dam 6 in., High St., 8 in., Green St. 8 in.

6 hydrants were replaced and 10 repaired. All hydrants were painted and flushed at regular intervals.

Service leaks were quite numerous, that was due to service being over 40 years old and most of them quite corroded.

Wells are in A1 condition.

Standpipe has several minor leaks, same were temporarily repaired and will be taken care of in the spring.

Respectfully submitted,

Wilfrid J. Michel,

Superintendent.

CITY MESSENGER'S REPORT

To His Honor, the Mayor, and City Council:

I herewith submit my report as City Messenger for the year ending December 31, 1943.

Rental of City Hall and office	$ 3,120.00
Rental of Chandler Bldg. (Collay store, 10 mos.)	250.00
Rental of Old City Barn	360.00
	$ 3,730.00
Transferred to City Treasury	3,730.00

Respectfully submitted,

Albert E. Boisvert,

City Messenger.

CITY AUDITORS REPORT

April 26, 1944.

To His Honor, the Mayor, Members of the City Council, Tax Payers and Citizens of the City of Somersworth, N. H.

We have examined the balance sheet of the City of Somersworth as of December 31, 1943, and the related income and expenditure accounts for the calender year then ended, have reviewed the system of control and accounting procedures of the City and, without making a detailed audit of the transactions, have examined or tested accounting records of the City and other supporting evidence by methods and to the extent we deemed appropriate. Our examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which we considered necessary.

In our opinion the balance sheet of the City of Somersworth New Hampshire as of December 31, 1943 and the related income and expenditure accounts present fairly the position of the City at that date and the result of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

We take this opportunity to express our appreciation to the Heads of the Departments for their very courteous and able assistance in the making of this audit, and to commend them on the very excellent and accurate condition of their records.

Respectfully submitted,

Margaret C. O'Connell,
Emerson T. Bates,

City Auditors.

Fiftieth Annual Report

OF THE

SCHOOL BOARD

OF THE

City of Somersworth, N. H.

July 1, 1942, to June 30, 1943

DEPARTMENT OF PUBLIC INSTRUCTION
1943 — 1944

Mayor Alfred J. Boucher, Chairman

Ward 1—William G. Ball

Ward 2—Margaret R. Uniack

Ward 3—Hon. Peter M. Gagne

Ward 4—Rodolph Carignan

Ward 5—Antoine Fournier

Appointed by City Council—Emery L. Whitten, Walter L. Sherry, Dr. W. E. Precourt, Leo Vachon, Archie L. Jacques.

SUB-COMMITTEES, JANUARY 1, 1943 TO JANUARY 1, 1944

Secretary—Margaret R. Uniack
Finance—Fournier, Boucher, Sherry
Texts and Studies—Whitten, Uniack, Fournier
High School—Gagne, Carignan, Ball
Elementary Schools—Uniack, Precourt, Vachon
Repairs—Carignan, Jacques, Gagne
Athletics—Precourt, Vachon, Sherry
Fuel and Heating—Boucher, Whitten, Jacques
Transportation—Ball, Vachon, Whitten
Supervisory Union—Gagne, Uniack, Boucher, Precourt, Whitten

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Somersworth:

I am privileged to submit my fifteenth annual report which is the fiftieth of the series. If conditions were normal and I had the time available I should like to make an historical survey of accomplishment for the past fifty years but this does not seem to be the opportune time.

I closed my last report with this statement—All are agreed that the schools must become the centers for the education of youth and adults facing a war torn world, and schools like business cannot expect to go on "as usual." We in Somersworth have been unusually fortunate since Pearl Harbor. We have made only one change in teachers, Mr. DeVittori of the Mechanics Arts Department having been granted a leave of absence to take a commission in the Navy. It appeared last summer that we could not replace him but Mr. Arthur Lord, a graduate of Somersworth High School with ample experience in the wood working industry decided to accept the vacant position. The teacher shortage in the country is serious as more than 200,000 teachers have left the schools since the war began and more are going all the time. New Hampshire has not been as badly affected as have many of the states. In Somersworth we need substitute teachers for both the elementary grades and the high school. Since September Mrs. John R. Uniack has been the only substitute of high school

subjects available. Fortunately there has been very little sickness among the teachers and no time has been lost in consequence.

Miss Blanche Thibadeau, First Grade teacher at the Burleigh School, has taken over the teaching of handicapped children assisted by Mrs. Bernadette Pellerin.

ENUMERATION AND ENROLLMENT

In October Mr. William Ball for the School Board made the Annual Enumeration, the figures of which are here given and comparison figures of last year also. The Enumeration includes all living in the city between the ages of 5 and 16.

	1942	1943
Boys	603	611
Girls	524	533
Over 16 in School	86	74
Total registration in St. Martin's Academy, including Commercial	565	572
Total registration, Holy Trinity	140	136
Total registration, High School	206	201
Living in the city but attending High School or Academy elsewhere	11	5
Living in the city but attending Elementary Schools elsewhere	14	0
Reported handicapped	9	6

Note very little change in the total number of children. This shows that there cannot be much change in the school population of Somersworth until more homes are available. There has been a drop in the number of pupils in school over 16 years of age. This drop is largely due to the loss of those over 17 to the armed forces. Not many pupils have left school to go to work, but a large number are working part time after school hours and "week ends."

Most of these pupils are not allowing such employment to interfere with their school progress. Boys from the High School helped in harvesting crops, unloading and loading stored wool, and as I write these lines are helping to distribute the Christmas mail. So called "juvenile delinquency" (better labeled "parental delinquency") has not seemed to be on the increase in Somersworth, although the Truant Officer has his troubles.

TRANSPORTATION

We have been fortunate to retain the same transportation and although the buses are crowded there is no hardship and the work is well done. There were 90 pupils transported to the Chandler and Burleigh schools, 21 to the High School and 116 to the two parochial schools, in 1942-43. See table of Statistics.

We have about 100 pupils remaining at the public schools during the noon recess, 39 at the Chandler School and 56 at the Burleigh School. We have no facilities for serving hot lunches but do provide supervision by the teachers and sanitary conditions where the lunches are eaten. There are Federal

funds available for supplying milk at a cost to the pupils of 2c per half pint.

Mrs. Lucille Morin Hall resigned as School Nurse at the close of the school year in June. Miss Pauline Ouellette, a graduate of The Maine General Hospital in Portland, Maine, was elected to fill the position but was not able to begin work until qualified and registered in New Hampshire as of November 1. I have not asked for a printed report but the following figures have been taken from Mrs. Hall's report at the close of the year in June, a copy of which was filed with the State Department of Education.

ANNUAL REPORT OF SCHOOL NURSE
SCHOOL YEAR, 1942 - 1943

	Public	Parochial
Number of pupils examined....	488	705
Number of pupils excluded for communicable diseases	26	155
Defects noted		
Underweight	43	49
Vision	43	84
Hearing	1	1
Anaemia	0	1
Nervous condition	0	1
Defective teeth	166	351
Diseased tonsils	6	55
Adenoids	6	55
Defective speech	1	0

Cooperation in having these defects corrected has been good. The majority have received proper treatment.

	Public	Parochial
Chicken Pox	8	92
Scarlet fever	1	5

COMMUNICABLE DISEASES

Measles	4	45
Mumps	5	2
Pediculosis	6	7
Skin diseases	2	4

All pupils in both Public and Parochial schools have been properly vaccinated. 254 pupils were inoculated for Diptheria and no cases of the disease were reported.

Orthopedic Clinics were held every other month from September to June at Frisbie Memorial Hospital.

The State Police have continued the practice of finger printing all "new comers" to the schools of the city.

The pupils have continued to help in scrap collections. War Savings are being continued and increased. The following was reported in the Free Press of December 9, 1943, for the Chandler School:

From September, 1943, to December 7th War Savings Stamps to the value of $820.75 were purchased and Bonds amounting to $675.00, or a total of $1, 495.75. The pupils will be credited with having bought a Jeep and a Life Float. This school has already received the Treasury Award and a Minute Man flag for having had more than 90 per cent of the pupils buying stamps or bonds.

After completing a successful year of Music Supervision on a part time basis Miss Jane Guyer is devoting full time to the work and besides the vocal

music is carrying on an orchestra, a band and a glee club. The operetta given by the High School was a success in every way and the proceeds are being used to further the music interests. This year it is planned to put on a musical program using the pupils from the elementary grades. The Somersworth Woman's Club continues its interest in our musical efforts and its support is appreciated.

In the High school we are continuing the plan adopted last year to give a good "physical fitness" program to the boys and girls of the two upper classes and to do the best we can to prepare the boys for entrance to the armed forces. We are not adopting specialized courses.

At the Chandler School, four evenings a week, there is conducted a course in Blue Print Reading for employees of the Navy Yard. This course is taught by Mr. Matthew Riley and financed entirely from Federal funds. A course in Ship Shop Mathematics was taught last year and through the summer but was discontinued because of lack of students. This course was taught by Mr. Robert Beamis and financed by the Federal government. The Welding School at the Pumping Station has been in continuous operation and it will probably continue for the duration. At this writing a course in Elementary Electricity under the Federal program of Out-of-School Youth (O. S. Y. A.), is about to start at the High School. This course will be Federally financed, taught for four nights a week for a period of eight weeks, by M. J. O. Lafond.

The teachers of the State held four regional meetings instead of a two day annual meeting. Our teachers attended one day at Rochester in October.

Your superintendent has attended in addition to the State meeting, the meeting of the New England Superintendents at Boston, in November and has made arrangements to attend the meeting of the Association of School Administrators to be held in New York, February 22-25, 1944.

Last year considerable time was lost through the rationing program. This year only two days have been lost and we are told that no more loss of time will be necessary.

Your schools have cost more this year but we have kept within the budget. If prices are held to the line and salaries remain the same, there should be little change in the budget this year except for repairs. At the Chandler School we are using a so-called "doped" boiler which will have to be replaced when it is possible to obtain a new one. One section of one boiler at the High School will also have to be replaced. This has also been "doped." All three of the school buildings are badly in need of outside painting in order to preserve window casings. This painting would have been done before but help has not been available.

In closing I wish to quote from an open letter to School Administrators from the National Education Association of the United States:

"We must strengthen our schools now. After the war we shall need good schools as we have never needed them before. Just as we cannot win the war without trained soldiers, we cannot win the peace, we cannot pay the national debt without a high level of general and technical education for all youth."

"The school is the greatest wealth-producing agency known to mankind. It develops and furnishes with power and purpose that mighty instrument for creating wealth—the human mind. The wealth of the world, both material and spiritual, is possessed by the nations which spend the most on their schools. The teacher is the heart and soul of the school. The only way we can protect the well-being of our country is to make sure that every child has a competent, devoted, well trained teacher." We must pay them what they are worth—more than just a living wage.

Respectfully submitted,

Howard L. Winslow,
Superintendent of Schools.

REPORT OF HEADMASTER OF HIGH SCHOOL

To the Superintendent of Schools:

There is always a danger that an annual report, even with its change in statistical data, may become a mere repetition of previous reports, something innocuous and wholly without meaning. There should be, of course, some comparison between the old and the new, else we become unaware of progress and retrogression. We in the school are inclined to measure our progress in terms of enrollment; yet common sense would tell us that the true norm is that of achievement.

Let us look at enrollment first. In 1941 we reached the peak with a total attendance of 253. The past two years show a decrease in enrollment. It is logical to assume that this decline is due to one or both of two causes; improved economic conditions with its resultant demand for labor; a normal decrease in school population. Reports from other sections of the country would seem to indicate that the second reason given is the true cause of the decline and that the number of school age children is diminishing. There is nothing strange in this for it is a principle of sociology that the size of the family is in inverse ratio to its economic well-being. We mention this in passing, not as a scientific fact, but as a phenomenon which will explain the fluctuation in enrollment.

Achievement is, as we said before, the true

standard by which a school is to be judged. While our courses are designed, primarily, to help those whose formal education will probably end with high school graduation they have also been found to be of inestimable value to those boys inducted into our country's services. Almost all of them have secured desirable ratings because of this high school training. This applies also to those who have gone into civil life. These, too, have found adequate employment.

The relatively small number entering institutions of post-secondary grade are likewise giving a good account of their training. The number entering these institutions is about evenly divided into three groups: those entering the University of New Hampshire, those entering hospital training schools, and those entering other New England colleges. Of this year's class nine out of fifty enrolled in college or training school. Ten of the boys have already entered the armed services.

It may be of some interest to our readers if we break down our total enrollment into the number registered in each of the various subjects which constitute our program of studies. It will be noted that the distribution is fairly even and that there is no tendency to overload any one subject. The one exception would appear to be Latin, with a total of 23, yet it will be noted that this is a larger enrollment than is found in the last two years of Commerce, Industrial Arts or Home Economics. The distribution is as follows:

	Grade 9	Grade 10	Grade 11	Grade 12	Total
English	67	59	37	41	204
Mathematics ...	67	28	17	3	115

Science	15	32	13	12	72
French	..	25	19	16	60
Latin	12	11	..	..	23
Commerce	29	13	10	6	58
Industrial Arts	27	11	3	8	49
Home Economics	15	3	8	11	37
Social Science .	34	17	25	41	117

During the year nineteen pupils were discharged from school. Of this number two boys enlisted in the Navy and one in the Army. Two of them received War Emergency Diplomas. Of the remaining sixteen, six transferred to other schools and ten left school because they had secured satisfactory employment.

Just a word concerning the War Emergency Diploma. This diploma is granted to Seniors in good standing who have left school to join the armed forces. It is an honorary diploma granted before the completion of the sixteen units required for graduation. It is not a certificate of graduation nor will it be accepted by any college or university as such. The State Commissioner of Education recommends that the recipients of these diplomas try to secure the remaining credits necessary for graduation either in the schools provided by the military forces or through correspondence courses approved by them. The completion of such courses qualifying them for graduation must, however, meet with the approval of the local School Board. This approval has been granted.

Some consideration should be given to the time element in the school year since certain modifications have recently brought about noticeable changes. It is the desire of the State Department of Education that all secondary schools be in session

for a minimum of 360 half days a year. While it is true that only six schools have met this requirement, it is also true that our school does not even attain the median. The reasons for our failure to attain this standard are numerous and diverse but whatever the causes the fact remains that our school was in session 336 half days while the average for the state is 347. Neither does the time lost include the days devoted to rationing, since we were permitten to count these as days in session.

Another item which does not appear in the record is the allowance of one period per day for Physical Education. On an annual basis this amounts to 5½ weeks per year or one-seventh of the total. No one begrudges the time devoted to this branch of education; we merely speak of it here to remind you that this time must, of necessity, be taken from other subjects. As a consequence the amount of shop work, science, math, etc., suffers by just that percentage. For the great majority of pupils the change affects none very materially. It is the preparation of those who plan to go to the University that suffers; it becomes inadequate for their needs. Under the pressure of war the accelerated program is necessary but it is difficult to avoid the elimination of certain desirable practices in our haste to convert our youth into fighting men.

In the matter of tardinesses, our record, as shown in the state report, is considerably better. The state average is 1.4 per pupil while ours is 0.3 per pupil. Our daily attendance has also been above the average: 95.9 as compared with 93.5. These figures speak for themselves; they attest the desire of our pupils to establish habits of promptness, punctuality and regularity of attendance.

There have been several minor changes in our curricula this year. Formerly History of Civilization was offered in the 9th grade and Commercial Geography in the 10th. Because Commercial Georgraphy was so similar to work already done in the 8th grade, we felt it advisable to transpose the subjects so that now History is given in the 10th grade and Geography in the 9th.

We also encountered some difficulty in scheduling our courses in Industrial Arts. Auto-mechanics is offered in the 11th grade but since there were only three boys registered for this subject and since that small number would not qualify us for Smith-Hughes assistance we were obliged to transfer the 10th grade boys to this class. This change will undoubtedly bring about some administration difficulties next year but the change was necessary if we are to derive any financial benefit from the Federal government for work of this nature.

We are grateful to the class of 1943 for the sum of money so generously given to the school at graduation. This money had been raised for the purpose of defraying some of the expense of the Washington Tour. Since the tour is out for the duration, the class proposed that this money be added to the school fund and to be expended for the benefit of the school at the discretion of the headmaster.

Respectfully submitted,

John R. Uniack.

STATISTICS, 1942-1943
